Dear Charles:

Thank you for your correspondence to Governor Hogan regarding Senate Bill 285/House Bill 0109 – Expanded Polystyrene Food Service Products – Prohibitions, as your opinion is important to him. As you may know, this bill passed the Maryland General Assembly and on May 24, 2019, became law without the Governor's signature. In accordance with the legislation, the new law will go into effect on July 1, 2019. For additional information on this and other legislation, you may wish to visit the Maryland General Assembly's website at: mgaleg.maryland.gov.

Sincerely,

A handwritten signature in blue ink that reads "Chris Shank".

Chris Shank
