LOCAL LAW NO. “A” FOR 2012

A LOCAL LAW OF THE COUNTY OF ALBANY, NEW YORK REGULATING THE USE OF POLYSTYRENE FOAM DISPOSABLE FOOD SERVICE WARE AND REQUIRING THE USE OF BIODEGRADABLE OR COMPOSTABLE FOOD SERVICE WARE BY CHAIN FOOD SERVICE ESTABLISHMENTS IN ALBANY COUNTY

Introduced: 2/13/12
By Messrs. Bullock, Clenahan and Higgins:

BE IT ENACTED by the Albany County Legislature as follows:

Section 1. Title

This local law shall be known as “Food Service Waste Reduction Act.”

Section 2. Legislative Intent

The Legislature hereby finds and determines that the prohibition of the use of polystyrene foam disposable food service ware in Albany County and requiring that all disposable food service ware be biodegradable or compostable is in the best interests of the citizens of Albany County.

The Legislature further finds and determines that the Environmental Protection Agency has found that the polystyrene manufacturing process is the fifth largest creator of hazardous waste in the United States.

The Legislature further finds and determines that polystyrene foam is a common environmental pollutant and non-biodegradable substance commonly used as food service ware and that there is no meaningful recycling of polystyrene foam food service ware.

The Legislature further finds and determines that alternative biodegradable and/or compostable food service ware is readily available for numerous food service applications and that these products are biodegradable and/or compostable.

The Legislature further finds and determines that the use of biodegradable and/or compostable food service ware will reduce the waste stream and reduce waste costs. Therefore, the purpose of this local law is to eliminate the use of polystyrene foam food service ware by Chain Food Service Establishments within Albany County.
