Adam thank you for speaking to me today about the child support issue that is now over 40 years old. The website that is my personal story is <http://www.comfortncolor.com/CT%20Book/DBook1WCover-test.htm> all the court and child support documentation are linked and are clickable the only information I withheld is the SS numbers.

The State of Connecticut refused to do the child custody study order by the court in my divorce. http://www.comfortncolor.com/CT%20Book/C10_Dissolution%20of%20Marriage.pdf

In fact I contacted John H. Dillon program Supervisor Department of Social Services Bureau of Child Support Enforcement who did an investigation that ended 2/27/2009 but this investigation never refer to the divorce or other court documentation. Mr. Dillon's letter http://www.comfortncolor.com/CT%20Book/C25_Book_JohnDillonLetter2_27_09.pdf

http://www.comfortncolor.com/CT%20Book/C77_JudgeOrders7_22_2015.pdf This is the judge's order that shows I do not agree with the amount owed and this is why.

4/7/1993 I received a letter from the Bureau of Collections for 336.24 ([C53_Edna_BackSupport_4_07_1993.pdf](#))! It does NOT make sense to collect a partial debt, this was the total.

10/4/2003 I received a bill from child support enforcement for a total of \$11,284.45! ([C54_Edna_October04_2003_Important.pdf](#))) In the letter from Mr. Dillon he states that IRS returns from my wife (Joann Lake) were taken by the State yet never applied but, had to be added to the amount.

12/30/2006 I received a bill from child support enforcement for a total of \$17,908.67! ([C55_EdnaBackSupport_12_30_2006.pdf](#))

8/31/2014 I received a bill from child support enforcement for a total of \$17,100.82! ([C56_ArreargeEdna8_31_2014.pdf](#))

Mr. Grillo told me that paperwork was lost by the State so it was up to me to prove that the State took my IRS refunds from 1979 to the present and for me to find the receipts for all other payments made.

The cash receipts from 1978 to 1986 were lost in the floods of 1993 in Greene County NY. Mr. DeGrazia (My Uncle's Brother) was the Child Support Enforcement Officer and insisted that only CASH be paid (NO Checks or money-orders) from 1978 to 1984 for child support.

Here are some examples of the record keeping done by the State of Connecticut Child Support Enforcement on Steven's Case!

1/31/2004 I received a bill from child support enforcement for a total of \$524.01! ([C49_Layden_Overdue1_31_2004-1.pdf](#))

7/17/2004 I received a bill from child support enforcement for the same amount of a total of \$524.01 for the second time! ([C50_Layden_overdue_7_17_2004.pdf](#))

12/30/2006 I received a bill from child support enforcement for a total of \$4,394.96! ([C51_Layden_Overdue12_31_2006-1.pdf](#))

8/2/2014 I received a bill from child support enforcement for a total of \$4,166.81! ([C52_ArreargeCindy8_2_2014.pdf](#))

Other letters that are important:

http://www.comfortncolor.com/CT%20Book/C33_Book_KarenLetter.pdf Shows that my mother did NOT want my children only the money from the State.

http://www.comfortncolor.com/CT%20Book/C45_Lake_LettertoUSACT.pdf Letter from Congressman.

The other website that has information is [Parental Rights](#)

Parental Rights

and shows that the State of Connecticut child support enforcement has been under federal investigation since the 1980's along with other information on child enforcement.

I hope you can make some sense of how the State of Connecticut child support enforcement does their math and STOP the corruption that has been tearing families apart since 1979 that I know of.

Charles Lake
