Maura, you responded to my Whistleblower Complaint on Friday, October 23, 2020, 10:41 AM EDT. In this response you state, "Your complaint information will be processed to the Attorney General's Office in accordance with Section 4-61dd of the General Statutes."

I have NOT heard from the Connecticut Attorney General's office, and it has been over a year.

I want you and the Attorney General's Office to be aware of another State of Connecticut, Department of Administrative Services, Bureau of Collection Services notice this time dated 1/20/1994; it can be found at http://www.comfortncolor.com/CT%20Book/1994_State_of_CT.pdf. **Please note** the total amount owed.

I would like verification/ documentation of my case being processed to the Attorney General's Office in accordance with Section 4-61dd of the General Statutes from your office.
