Dear Ms. Daly:

I have been contacted by a constituent, Mr. Charles Lake, who has requested a Federal investigation into the conduct of the State of Connecticut.

I have explained to Mr. Lake that it is not within the jurisdiction of my office to investigate and prosecute the State, but that I would bring this matter to your attention to handle however you felt appropriate.

Mr. Lake is requesting that the State be prosecuted for their alleged mishandling of his child custody cases. Mr. Lake's case dates back to the late 1970s, and he does not feel his position has been understood adequately by anyone in the justice system. Further details of Mr. Lake's story are outlined on the documents he provided via CD Rom.

As this matter is of great importance to my constituent, I ask that you review the enclosures and make all appropriate considerations when determining how to proceed with this request.

I ask that you formally respond to this request via mail to PO Box 775, Kinderhook, NY 12106 or by fax to 518-610-8135. If you have any questions, please contact my office at 518-610-8133.

Sincerely,

Chris Gibson
