

A photograph of Senator John Kennedy, a man with grey hair, wearing a dark suit, white shirt, and blue patterned tie. He is sitting in a chair with his arms crossed, looking slightly to the right with a serious expression. The background is a blurred indoor setting, likely a Senate chamber.

**Senator John
Kennedy wants
people on Medicaid
to "get off your
ass" and get jobs.**

**Some of the most common disabilities
among Medicaid recipients are:**

**Down syndrome, cerebral palsy, multiple sclerosis, spinal
cord injuries, schizophrenia, major depressive disorder,
epilepsy, Parkinson's disease, traumatic brain injuries.**

The cruelty is the point with these people.
